Careers Aspirations Event

Dear Parents and Carers,

We are pleased to invite you to our upcoming **Careers Aspirations Event** at **Endeavour Co-operative Academy (The Chadwick Centre)**. This exciting event is open to all and is designed to help broaden the horizons of our learners. This event aims to explore a range of educational and career pathways available after leaving Endeavour and can support discussions in annual reviews.

Event Details:

- **Date:** Tuesday, 15th October
- **Time:** 3:15PM – 5:00PM
- **Location:** Endeavour Co-operative Academy, The Chadwick Centre, Riseway, Brentwood, CM15 8BG

Purpose of the Event:

The event will provide students and their families with vital information about:

- Further education options and colleges that may be suitable for their needs. We have a range of external college providers and provisions attending who specialise in working with learners with EHCP's.
- Career planning and alternative routes to employment, such as vocational training , targeted employment and supported internships.
- SEND-specific pathways, including life skills development, independent living and employment support.
- Other supporting agencies include Essex Travel Training and Pineapple care.
- The Preparing for Adulthood team will also be able to offer specialised advice relating to transitions and planning for the future.

It's important to start exploring future options beyond Endeavour, and this event aims to introduce you to supporting agencies that can assist your child on their journey towards adulthood.

We strongly encourage KS4 and Sixth Form parents and carers to attend, as the information shared will be crucial in helping your child make informed decisions about their future.

If you have any questions or need more information, please feel free to contact me at pgisby@kcat.co.uk

We look forward to seeing you at the event and working together to help your child succeed and prepare for the future.

Warm regards,
