25th June 2018

Dear Parents/Carers,

I would like to introduce myself to you, as a new member of staff at Endeavour.

I have joined the school as a fundraiser, to support with the resources, school improvements and opportunities to enhance your children and young people's education and wellbeing at the school.

I have worked in this capacity for nearly three years for another local special educational needs school and raised over £100,000 in that time. I am delighted to have been invited to work here at Endeavour.

I need your help!

The Anchorage Association currently only consists of three members and all of these are staff at the school. This will make it challenging to apply for potential funding, to support your children.

To ensure we have the best chance of funding, we need to grow the committee to include parents and carers, and friends of the school. It would be wonderful to have Grandparents and other family members too! This will ensure we have a true representation of our school community.

We do appreciate that it can be difficult to attend meetings, around work and family commitments. So meetings will be kept to a minimum and the times of these can be flexible to make them as accessible as possible.

Can you help? Or do you know anyone who can? Or would you like to know more about what this involves? If so, we would be delighted to see you at the AGM on 4th July at 10am. There is no obligation for you to join if you attend.

If you would like to be involved with fundraising but are unable to attend the AGM, please do contact me, or Debbie Foster; it would be wonderful to hear from you!

Thank you for any support you may be able to offer. I look forward to meeting you.

Kind regards,

Claire Rayner
